

Fountain of Goodness

Fountain of Goodness

Olly Knight & Mike Reeves

Verse 1:

D
Fountain of goodness, beauty, ever-streaming love,
Bm
Pouring out every blessing on your perfect Son;
G **D** **A**
Father, before all things, your joy was found in him.

Verse 2:

Radiant light of heaven, ever-cherished Son,
Knowing such perfect closeness, with your Father one;
Jesus, you came to us, to share all that was yours.

Chorus:

D **A**
Our God is good! He's shown such love
Bm **G**
Now adopted in the Son, to you we come,
D/F# **A**
And we delight in you our God
Em **G** **A** **D** (last time Bm then repeat line x2)
You loved us first and now our hearts are yours.

Verse 3:

Giver of life, for ever resting on the Son,
Bringing the joy of knowing all the Father's love,
Spirit, you've made us Christ's; now we're as loved as him.
